

Sponsorship Form

Please print and complete this Sponsorship Form,
enclose your tax-deductible check
(made payable to *Pet Search*)
and mail the form and check to:

Washington, PA 15301**

*Do you have room in your heart but not
your home for a foster pet?*

The average animal's stay in a foster home is one month, and the cost incurred by the foster home is at least \$50, plus food, a collar and any unforeseen expenses. Frankly, we could use a little help from our friends!

We're not asking for you to be a foster home. Rather, we are asking for you to sponsor a homeless animal to help defray the financial burden that Pet Search is faced with each time an animal is taken in. Know that even though you cannot foster a pet, you are helping to sponsor an animal's second chance. *Thank you!*
