As a foster home, you agree to care for the pet as an indoor family pet, providing care, love, training and attention. Pet Search agrees to provide veterinarian care and items that the pet will require in foster care (such as, but not limited to food, litter, crates, litterboxes, carriers, etc) Items loaned to foster home are the property of Pet Search and are returned to Pet Search when the foster home becomes inactive.

I give Pet Search permission to put my name on the Foster Home list. My name and contact information will remain confidential and for internal use only.

Pet Search reserves the right to refuse any application
